Will Shaun and Nancy be attending the ARSG meeting? If so, would you like TPs developed for regional RPM Manager, Steve Wharton, and site CIC, Cynthia Peterson, who were planning to attend?

Hi, All,

The talking points may be moot. Chris overheard a conversation yesterday about Shaun and Nancy attending the ARSG meeting. I left Nancy a voice message yesterday, but she hasn't returned my call. Can you confirm the current plans from there? If we still need the talking points, please answer the remaining questions and share with the JIC.

Thanks!

Cynthia

Suggest you run this by the GKM JIC for situational awareness. Just so they know the nature of the meeting and the source of TPs.

Hi, Steve.

Attached are the talking points we discussed this afternoon. Please edit as needed. As I mentioned, I had a few questions that need to be answered in the outline. If you can't get the information there, let me know, and I'll try to track it down here.

Thanks!

Cynthia
